

NAMIC LEADERSHIP SEMINAR

Successful managers get things done. The NAMIC Leadership Seminar engages academics and practitioners from across the country in an immersive leadership development experience. The program aims to increase effectiveness at work, provide important insights and tools for strategic career planning, and transform high-potential middle managers into effective leaders.

Who should attend:

- Manager, supervisor, or new director (less than 2 years)
- A strong performer
- Motivated to pursue positions with increasing visibility and responsibility
- Endorsed by company to participate in the NAMIC Leadership Seminar
- Current NAMIC member
